Affiliate Program Based on **Bitcoin**

Why use **Bitcoin**?

By using “Bitcoin” you are always in control of all your transactions.

Payments are free from control by banks, tax authorities, court and other state owned or controlled bodies. Only the sender and the receiver of any transaction are taking part in the transaction, no third party can withhold or cancel the transaction.

The “Bitcoin” system is fully decentralized.

All participants have equal rights and have full information about their corresponding transactions. That is why Bitcoin has no inflation.

“Bitcoin” system respects your confidentiality.

You can create new Bitcoin wallet for any new transaction you make, without assigning personal data. The system does not collect your personal data. That is the most effective way to keep personal information of clients safe.

Cryptocurrency is future of global economy.

Bitcoin is the best modern cryptocurrency of today.
